Circular

To ensure the smooth operation of research at our institution, we're launching the **Amala Centre for Research and Innovation (ACRI)**. This new centre is designed to streamline research activities, provide dedicated support for our researchers, and foster a culture of innovation, headed by **Dr V Ramankutty** as **Research Director** and supported by Dr Sruthi M V as Chief Research Officer (CRO) and Dr Joby Thomas K as Chief Administrative Officer (CAO). Director, Joint/Associate Director in charge of Academics and Research, Principal, Research Director, CRO, CAO, and Chairman/Secretary/Head/President/Coordinator/Convenor of all research-related bodies like IRC, IEC, CRU, AIMRD, IPR cell, IIC & YIP Cell are the members of ACRI Board of Executives.

The centre will serve as a central hub for all research related activities in the institution, including project management, funding for research support, collaborations and documentation of research data. We believe this new initiative will significantly contribute to our institution's academic and research excellence.
