VISION

To be a foremost teaching hospital known for its excellence in holistic healthcare, quality education and research.

MISSION

We are committed to translating the vision into action by:

- Employing the best possible staff.
- Providing state-of-the-art facilities in an eco-friendly ambience.
- Imparting affordable, inclusive, quality health care to all.
- Catering to the physical, emotional and spiritual needs of the patients.
- Following merit-based, transparent and non-exploitative admission procedure.
- Challenging our students to become forward-looking, dedicated health care personnel, with competence, integrity and compassion as their hall marks.
- Instilling in the staff and students respect for life at every stage of its growth and in all its manifestations.
- Inspiring the students to reach out to the poor and the marginalized, especially those in the rural areas.
- Promoting innovative research that will benefit the humanity.

VALUES

- Honour • Compassion • Abundance • Ethical Professionalism
- Homely Feeling
