SKILL LAB

30/1/25

1

1, It was a wonderful class. We understood it very well. We learnt about first aid. Thank You for giving us a wonderful class.

Owena Shaju

2, It was a very useful and wonderful class. learnt about CPR and body parts. Thank you for giving a nice class.

Manthra

(Teacher)

3, The class was very useful and gave us more knowledge about humans body parts. We did a practical CPR. We human bones for the first time. We are very thankful to whoever conducted this class.

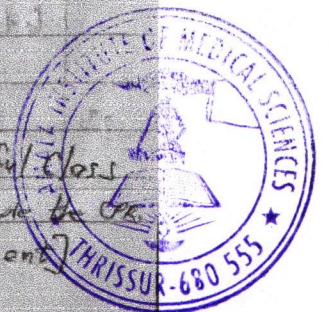

Catherine Santhosh  
(Student)

4, This class was very useful to us to learn about how to save a humans life with CPR and learned so many things. So I am thankful to Amrta Hospital for giving this opportunity. Thank you.

Febin Binay

5, Firstly I thank you for giving us this wonderful class and we learned a skill to save the live of people. Thank you.

ABRAHAMSAVZO (Student)

01/08/2025

Demonstration was very informative and eductive. Thank you very much.

  
Muhammed Yunus. me

I really enjoyed it I understand a lot of thing  
Thank you so much

Haya Aliya IX-D

The demonstration was very useful to us we all studied how to give CPR and all

HAFSA MARIYAM IX

Demonstration is very interesting and helped good teaching and good behavior. I would like to spend time there.

ANUVINDH T R

IX - B

Here I learned so much about the main important part of our human body where I dream to see them virtually. The way the faculties explained was really nice. I'm grateful for being the part of this. Thank you.

The demonstration was very beautiful helps to future it was a wonderful experience especially CPR checking

  
Nadia Hista

The demonstration classes are very informative for our students. They enjoyed very much. Thank you so much.

Thank you.

Chahann 12.24.

8/4/2025

visited as part of KMG inspection.

Indu P. S.

D. P.

It was very useful. I am so thankful because it will help me to save a life.  
Thank you  
Godwin (Student)

7 It was a well-organised and informative session. It helped us to understand a lot about our bodies. We are extremely grateful for this session. Further we got a practical knowledge on how to save life. Thanks a lot for this session.

Sreya C.J [Student]

8 It was very informative and helpful for our life. We studied a new thing and it was a good experience to us.

9 From our school, after this visit, this trip became the most informative and helpful section. We learnt lessons like how to help person who suffers from CPR and choking. We sincerely share our gratitude towards the people who arranged this section for us.

10 We are very thankful for showing us this Skill Lab. All well explained and it was a great opportunity to us.

11 It was a very nice experience. I understood a bit of things. I understood how to do CPR too.

12 This Trip was very informative and fun. Thank you for taking us in.

13 It was a great opportunity to visit skill lab. Saw lot of things which was beyond my expectations. All staffs who guide us were friendly and funny. Studied lot of informative things. Thank you so much.

31/1/25

14 Very informative, my dream job starts from here. Thank you for educating me.

15 As it was very informative, we all learnt new lessons which was very new for us. Very thanks from all the Sanyas family for all of you.

16 First of all, thank you for giving a chance to see this. It was very informative. Thank you. *Sudha*

17 It was very helpful and informative as well. Got to see the bones and other structures that we studied in textbooks. Thank you. *Manjani*
