ESTRO

Certificate of Attendance

THIS IS TO CERTIFY THAT

Febin Antony

has been a participant on ESTRO's course on

Evidence Based Radiation Oncology

20 – 24 May 2024

ACCREDITATION: 30 European CME Credits (ECME®s)

For **Evidence Based Radiation Oncology (CME - 3433)**, has been accredited by the Accreditation Council of Oncology in Europe (ACOE) with **30** European CME credits. Approval by ACOE permits you to advertise the fact that the activity has achieved CME accreditation approval, which means that the programme has been recognised of high quality value both from a scientific and didactic point of view.

The American Medical Association (AMA) and the Accreditation Council for Continuous medical Education (ACCME) designate this type of educational activity for a maximum of 1 AMA PRA category 1 credit per hour of activity. Physicians should only claim credit measurable to the extent of their participation in the activity.
