

Slow learners' teaching methodology

At Amala, special care is taken in teaching slow learners using innovative methodologies that cater to their specific needs while ensuring they achieve the required competencies.

Some effective strategies are:

1. Weekly or Twice monthly class discussions and written examinations
2. Personalized classes (Personalized Learning Plans)
3. Mentor-mentee program
4. Short topic evaluation sessions (problem-based learning (PBL) or case-based learning.
5. Short videos on exam-oriented topics (Technology-Assisted Learning)
6. Frequent online zoom meetings (Technology-Assisted Learning)
