Doctors' Conference (Gratitoegether Eve)

Get ready for an unforgettable journey where medicine meets curiosity, competition, and creativity. Concordium, the UG Medical Conference organised by Amala Institute of Medical Sciences, is designed as a vibrant platform where learning meets inspiration, and ideas spark collaboration.

From power-packed plenary sessions that spark fresh ideas, to case presentations and research presentations that let you showcase your skills, the stage is set for discovery and dialogue. Adding to the excitement, a national-level medical quiz will challenge participants' knowledge and teamwork, while the cultural programs will provide a space to celebrate creativity, diversity, and camaraderie.

Together, these experiences aim to nurture curiosity, sharpen skills, and build a community of passionate future doctors ready to shape tomorrow's healthcare. This isn't just a conference—it's a celebration of learning, innovation, and friendship. Come join the rhythm, share your story, and be part of a community shaping the future of healthcare!
