Wifi facilities in hostel is necessary.
Drinking water on all floors of hostel is needed.
Washing machine for hostel is also required.

My daughter need to get the hepatitis B vaccine which is mandatory to be taken. We were looking for this vaccine from Amala and other hospitals for the last five months, but we didn't get. Kindly arrange vaccine for those students who need it.

Can improve quality of food in hostel

Parents meetings could've been conducted a little more better. The flow of parents to various faculties should've been regulated in an orderly manner.

Please Provide Wifi connections in Hostel

Need more support and clarification in presentation methods in examination .

Hostel faciity can be improved by the following ways

1. Need drinking water in every floor.
2. Waching machine in every floor.
3. Wifi connections.

Nil

It's going well, keep it up

Hostel and mess facilities need some improvement.

Please make sure, all the students are communicating with there parents about there study, in every day.

All information which students get also must communicate to parents. For that there should be a common platform.

Nothing more to share.

Very good 👍
