Report on Blood Donation Program

Organised by : SSGP, Amala Institute of Medical Sciences (AIMS), Thrissur
In association with : Department of Transfusion Medicine (Blood Centre)
Date : 12th August 2025
Time : 9:00 AM – 4:00 PM
Venue : Amala Square, Amala Campus

A blood donation camp was successfully organised on 12th August 2025 by the Student Support and Guidance Program (SSGP), AIMS Thrissur, in collaboration with the Department of Transfusion Medicine (Blood Centre). The camp was led by the nodal officers Dr. Mathew Joseph and Dr. Tinju James, who coordinated the event effectively.

The program commenced at 9:00 AM at Amala Square and concluded at 4:00 PM. Students and staff members of Amala Institute of Medical Sciences actively participated by donating blood after completing the necessary screening tests conducted by the medical team.

Each donor was presented with a Certificate of Appreciation and an Amala T-shirt as a token of gratitude for their selfless contribution towards saving lives.

The event not only helped replenish the blood bank but also promoted awareness about the importance of voluntary blood donation among the Amala community. The coordinated efforts of the organising teams and the enthusiastic participation of the donors ensured the camp's success.
