How to Use the Amala Calendar App

1. Access the Calendar

Visit <https://apps.amalaims.org/amala-calendar>.

2. Install the Calendar

- o Click on **Install Amala Calendar** and then tap **Install**.
- o Alternatively, click on the three dots in your browser and select **Add to Home Screen**.

3. Launch the Calendar

Once installed, tap the Amala Calendar icon on your mobile device to access it.

4. Features

- o **Colored Dots:** Holidays, health days, and events are marked with colored dots on the date field.
- o **Swipe Navigation:** Easily swipe left or right to navigate between months.

5. Enjoy Seamless Access

Thank you for using the Amala Calendar app to stay organized and informed!
