

## ONEAMALA

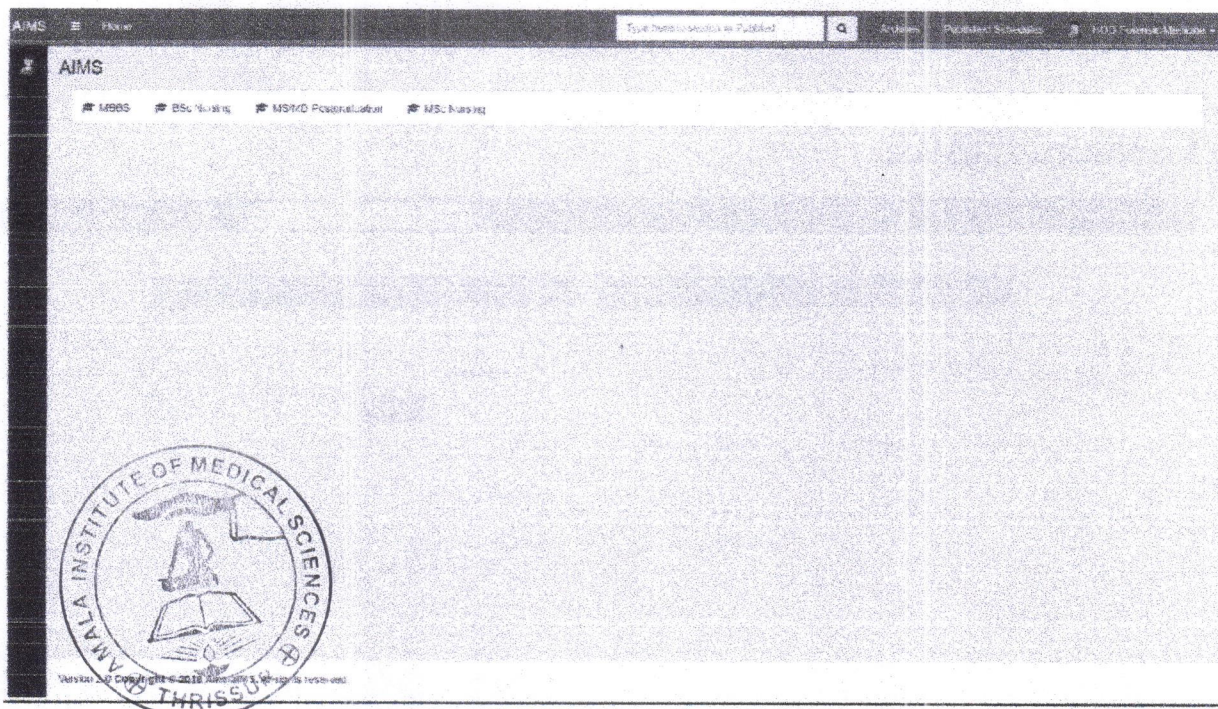

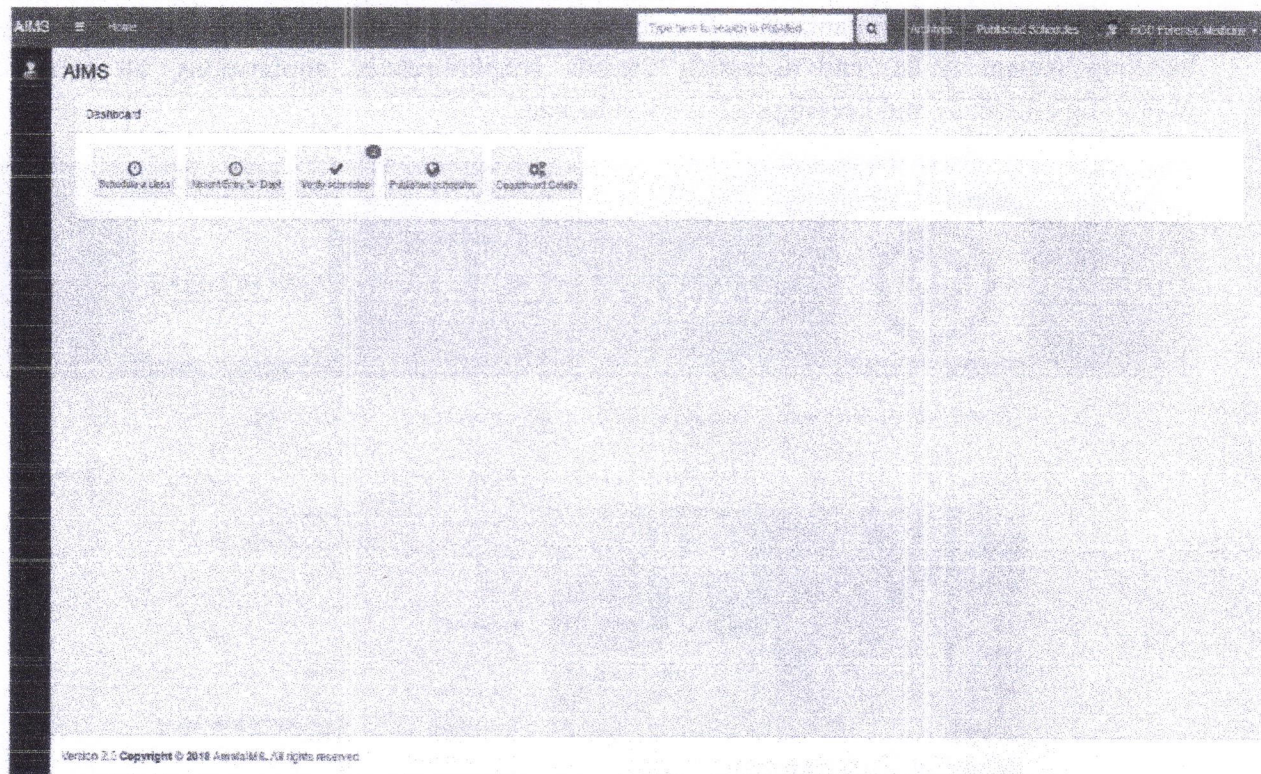

One Amala is a recently updated internal website designed to enhance communication and coordination within our organization. It includes features for managing events, sharing circulars, handling patient shifts, and accessing various hospital-related applications, all aimed at improving efficiency and keeping staff well-informed.

The screenshot shows the top navigation bar with links: ONEAMALA, HOSPITAL, MEDICAL DEPARTMENT, NABH ACCREDITED, CLINICAL, PARAMEDICAL, and NEWS. Below the navigation is a dark banner with the NABH logo on the left, the text "Amala Medical College Hospital NABH Accredited" in the center, and the Amala logo on the right. A quote by Nelson Mandela is displayed: "EDUCATION IS THE MOST POWERFUL WEAPON YOU CAN USE TO CHANGE THE WORLD." - NELSON MANDELA. The main content area features a large image of a group of people in white coats, with the Malayalam text "അമലയിൽ ആയുർവ്വേദ കർമ്മിടക സ്റ്റാൾ" below it. To the right, there are several utility links: Phone Directory, Patient Shift, Apps, Internet Mail, Doctor leave Intimation, Class Schedules, and Ongoing Studies. A "Circulars" section lists "GLUCOMETER CALIBRATION CIRCULAR" (18-09-2024), "DENTAL" (06-09-2024), and "DENTAL" (16-09-2024). A "Welcome Our Newly Joined Doctor" section features a photo of a woman and the text "Associate Professor" and "Amala Institute of Medical Sciences".

## CLASS SCHEDULE

The screenshot shows the AmalaIMS website interface. At the top, it says "AmalaIMS" and "This Site is Read-Only/Paralysed". Below this, there are two main sections: "Class Schedules" and "Login". The "Class Schedules" section has a sub-section for "Published Schedules". The "Login" section includes fields for "Username" and "Password", and a "Login" button. At the bottom center, there is a circular logo for the "AMALA INSTITUTE OF MEDICAL SCIENCES" with "THRISSUR" written below it. The logo features a central emblem with a book and a lamp.

The Class Schedule application is used to organize and schedule classes for MBBS students. It helps in planning and managing the timetable, ensuring that students and instructors have a clear and structured schedule for their courses and lectures.
