

DECLARATION OF COMPLIANCE

At Amala Institute of Medical Sciences, we've revolutionized our healthcare operations with a fully integrated and validated digital infrastructure. We are proud to declare that our **Electronic Medical Record (EMR), Electronic Health Record (EHR), Hospital Information System (HIS), and Laboratory Information System (LIS)** are not only fully functional but also seamlessly integrated, ensuring a cohesive and efficient workflow.

Our commitment to excellence extends to our staff. All personnel undergo **regular, comprehensive training** to stay ahead of new developments and changes in our systems, guaranteeing proficiency and optimal use of our technology.

Our institution is supported by a robust and **fully functional local area network (LAN)**, providing reliable connectivity across all departments. This is complemented by an **intact, multi-layered cybersecurity framework** that actively protects our systems from threats.

Above all, **patient confidentiality** is our highest priority. We have a stringent, fully enforced protocol to ensure the utmost privacy and security of all patient records, protecting sensitive information with the highest standards of care and compliance.
