

SUBJECT: DECLARATION OF COMPLIANCE REGARDING INFRASTRUCTURE AND SUSTAINABILITY INITIATIVES

1.2.4

Name of Institution: Amala Institute of Medical Sciences **Address:** Amala Nagar, Thrissur, Kerala - 680 555

This is to formally declare that Amala Institute of Medical Sciences, located at the above-mentioned address, is committed to providing a fully compliant, safe, and sustainable environment.

We hereby confirm that the institution's infrastructure, including its built area and building plan, is in full compliance with all the relevant norms and regulations as stipulated by the Kerala University of Health Sciences (KUHS) and the National Medical Commission (NMC). The campus is designed to be environmentally friendly, with features like the use of polysheets in the St. Mary's block to reduce heat and energy consumption.

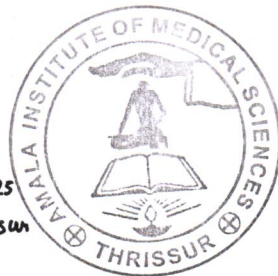

In our commitment to providing a conducive learning and living environment, we ensure:

1. Water and Sanitation: A continuous supply of safe drinking water is provided throughout the campus. The water quality is periodically checked for safety by our dedicated microbiology department. Additionally, water monitors are installed in tanks for effective conservation.

2. Energy and Power: We maintain an uninterrupted supply of electricity to support all academic and clinical operations. As part of our green initiatives, we have installed four solar panels for the effective utilization of solar energy. Our energy conservation efforts include the use of LED screens. Notices are also placed to encourage switching off lights and fans when not in use.

3. Sustainability Initiatives: To promote a sustainable and eco-friendly campus, we have implemented several measures. A biogas plant is operational for the use of renewable energy. We also have preferential parking for electric vehicles to encourage their use among staff and students. Sensor Taps, 3 star ACs with invertors doubling as 5 star ACs, Sensor doors to prevent AC overconsumption.

We stand by this declaration and confirm that the information provided is true and accurate to the best of our knowledge.
