

DECLARATION

This declaration confirms that **Amala Institute of Medical Sciences** is committed to fostering a holistic educational environment that extends beyond academics. The institution provides extensive physical education and cultural facilities to promote the well-being and all-around development of its students.

Physical Education Facilities

Amala Institute of Medical Sciences maintains a robust physical education infrastructure with a wide range of facilities to support both indoor and outdoor sports. These facilities are equipped with sufficient logistics, including sports items and jerseys, and are managed with adequate storage.

- **Outdoor Facilities:** The campus features a large playing ground suitable for cricket, football, and athletic events. It also includes dedicated courts for basketball and volleyball.
- **Indoor Facilities:** The institution provides indoor facilities for sports such as table tennis, carrom, and chess. There is also a well-equipped gymnasium with a trainer and various exercise machines, including treadmills and dumbbells.

The institution has at least one faculty member assigned to oversee sports and games, ensuring proper management and guidance for students. Amala hosts regular sporting events, including inter-college and intra-college activities. The annual sports meet sees participation from more than the minimum of 5% of the student body.

Cultural and Auditorium Facilities

Amala Institute of Medical Sciences also provides adequate physical and logistical facilities for cultural activities. The campus has a well-furnished auditorium that serves as a venue for various functions, seminars, and cultural events.

The institution hosts various cultural programs and inter-college meets throughout the year, with an emphasis on fostering talent and healthy competition. These events consistently draw participation from more than the minimum of 5% of the student body, with awards and medals presented to acknowledge the achievements of the participants.

This declaration verifies the commitment of Amala Institute of Medical Sciences to providing a comprehensive campus life that prioritizes both physical fitness and cultural expression for all its students.
