

Action Taken Report on Student Satisfaction Survey: 2024 - 2025

Batch: 2023 MBBS Batch

Survey Conducted By: Internal Quality Assurance Cell (IQAC)

Purpose of the Survey:

To evaluate students' perceptions regarding curriculum delivery, teaching-learning methods, clinical exposure, assessment practices, infrastructure, mentoring, and support services, and to implement quality improvement measures based on feedback received.

| Sl. No. | Area of Feedback | Issues / Suggestions Identified | Action Taken | Responsible Authority | Status |
|---------|--------------------------|---|---|------------------------------------|-------------|
| 1 | Teaching Methodology | Students suggested more interactive lectures | Faculty sensitized to adopt interactive teaching methods, including discussions and quizzes | Medical Education Unit (MEU) | Implemented |
| 2 | Curriculum Delivery | Need for better pacing of syllabus coverage | Lesson plans revised and monitored through academic review meetings | Academic Committee | Implemented |
| 3 | Clinical Teaching | Students requested more bedside clinical teaching | Increased clinical postings and bedside demonstrations | Heads of Clinical Departments | Implemented |
| 4 | Assessment System | Delay in internal assessment feedback | Timely evaluation ensured and feedback sessions scheduled | Examination Cell | Implemented |
| 5 | Practical Training | Need for increased hands-on practical exposure | Additional practical sessions planned with reduced batch size | Heads of Departments | Implemented |
| 6 | Learning Resources | Requirement for updated textbooks and journals | Library resources updated and access to e-resources enhanced | Library Committee | Implemented |
| 7 | Infrastructure | Issues related to classroom facilities | Necessary repairs and maintenance carried out | Infrastructure Committee | Implemented |
| 8 | Mentorship | Students sought stronger academic guidance | Mentor-mentee system strengthened with regular meetings | Student Support Cell | Implemented |
| 9 | Student Support Services | Need for stress management and counselling support | Counselling services and wellness programs organized | Student support Guidance Programme | Implemented |
| 10 | Communication | Delay in circulation of academic notices | Improved communication through digital platforms and notice boards | College Administration | Implemented |
| 11 | Feedback Mechanism | Students wanted assurance of action on feedback | IQAC ensured documentation, review, and action on feedback | IQAC | Implemented |
| 12 | Overall Satisfaction | Positive feedback with scope for continuous improvement | Continuous quality improvement measures initiated | IQAC & Management | Ongoing |

Conclusion

The feedback received from the **MBBS Batch 2023** was systematically analyzed, and appropriate corrective and improvement measures were implemented. The institution remains committed to continuous enhancement of teaching-learning processes and student support services.
