Dear Madam,

Greetings from **TalentMed Services LLP!**

As per the telephonic conversation, we are a specialized medical recruitment consultancy with extensive experience in supporting hospitals with end-to-end manpower planning and recruitment. Over the years, we've successfully partnered with several reputed healthcare institutions to fulfill their staffing needs across departments — including doctors, nurses, allied health professionals, and hospital administration.

Our team brings in-depth expertise in hospital manpower planning, including workforce gap analysis, deployment strategies, and scaling staff as per NABH and other compliance standards. With a robust database of pre-screened healthcare professionals and a commitment to quality and timely delivery, we aim to be a valuable extension of your HR team.

We would be honored to explore a partnership with you to ensure supply of resources to leading hospitals in India.

If you have any queries, please contact me at the undersigned number.

Looking forward to having a long-term association with your Esteemed Organisation.

Below are our open mandates where we are hiring currently.
