

Date : 10th April 2025

To,

Dr. Gajanan Sampatrao Ghodake

Associate Professor

Department of Biological and Environmental Science, Dongguk University-Seoul, 32 Dongguk-ro, Ilsandong-gu, Goyang-si, 10326, Gyeonggi-do, South Korea

Subject: Acknowledgment of Your Association in the Research Advisory Committee

Dear Dr. Ghodake,

I hope this letter finds you well. On behalf of Amala Institute of Medical Sciences (AIMS), I sincerely acknowledge your concern in being a member of the Research Advisory Committee of AIMS. Your association with the committee is highly valued, and we recognize the significance of your role in strengthening our research and academic endeavours.

Please consider this letter as formal acknowledgment of your association in the Research Advisory Committee of AIMS. We also take this opportunity to thank you in advance for the time and effort you will dedicate to this role. Your insights and guidance will undoubtedly contribute to the research excellence of our institution.

Should you require any further documentation or formalities, please feel free to reach out.

With best regards,

Betsy
