Vision

To be a foremost teaching hospital known for its excellence in **holistic healthcare, quality education and research.**

We are committed to translating the vision into action by:

- ▶ Employing the best possible staff.
- ▶ Providing state-of-the-art facilities in an eco-friendly ambience.
- ▶ Imparting affordable, inclusive, quality healthcare to all.
- ▶ Catering to the physical, emotional and spiritual needs of the patients.
- ▶ Following merit-based, transparent and non-exploitative admission procedure.
- ▶ Challenging our students to become forward-looking, dedicated health care personnel, with competence, integrity and compassion as their hallmarks.
- ▶ Instilling in the staff and students respect for life at every stage of its growth and in all its manifestations.
- ▶ Inspiring the students to reach out to the poor and the marginalized, especially those in the rural areas.
- ▶ Promoting innovative research that will benefit the humanity.

Mission

Values

Honour

Commitment to integrity, ethical conduct and respect for life.

Compassion

Cultivating empathy and sensitivity in students to ensure humanity driven patient care.

Abundance

Nurturing a culture of generosity in knowledge sharing, mentorship, and opportunities that empowers students.

Ethical Professionalism

Integrating scientific rigor with principled and ethical medical practice.

Homely Feeling

Fostering a supportive familial environment that nurtures trust and belonging.
