# Quality Policy & Objectives

## Quality Policy

**“Redefining care Everyday in Everyway”**

Amala Institute of Medical Sciences, under the aegis of CMI Fathers, is committed to academic excellence, ethical medical practice, patient-centered healthcare, research innovation, and community engagement.

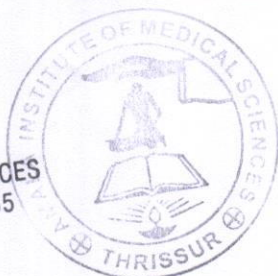

We strive to become a global center of excellence in medical education and research by ensuring quality in every endeavour—teaching, learning, clinical practice, research, consultancy and collaborations through the integration of innovative technologies and value-based education.

## Quality Objectives

AIMS commits to:

- 1. Promote Student- Centered Learning:** Encourage active participation, problem-solving, and experiential learning in a familial environment.
- 2. Ensure Ethical and Professional Standards:** Maintain integrity, accountability and empathy in all academic and clinical practices.
- 3. Strengthen Research and Innovation:** Foster an environment that encourages research projects, publications, patents, and translational healthcare innovations.
- 4. Continuous Academic Improvement:** Implement robust mechanisms for evaluation and quality enhancement of curriculum, teaching-learning, and clinical training.
- 5. Selection of best employment and their development:** Employing the best possible faculty and organize Faculty Development Programs (FDPs), workshops, and skill-building initiatives to maintain global standards of pedagogy and clinical expertise.
- 6. Community Engagement:** Conduct outreach programs, preventive health campaigns, and social responsibility initiatives for community well-being.
- 7. Digital and Infrastructure Advancement:** Upgrade digital platforms, simulation labs, and smart classrooms for cutting-edge medical education.
- 8. Benchmarking & Accreditation:** Continuously improve to achieve and sustain top rankings in NIRF/KIRF, QAS, meet NAAC standards, and align with KUHS quality benchmarks.
