### Department of Psychiatry

Since 2017, every second Wednesday of the month at 10:00 am, the Department of Psychiatry, Amala Hospital has been visiting Sevanagiri Sevanalaya Rehabilitation Centre in Mala to provide mental health services. Our team consists of a psychiatrist, a psychiatric social worker, MD students, and house surgeons, following a multidisciplinary approach. We consult approximately 40 patients every month.

#### Year – 2024

- January – 37 Patients
- February – 39 Patients
- March – 41 Patients
- April – 39 Patients
- May – 41 Patients
