Date	20/12/2025
Time	2:00 PM
Venue	Anganwadi No. 16-0, Chittilapilly, Ward 3, Adat Grama Panchayat
Target Audience	Senior Citizens (Elderly)
Organized by	Amala Grama Project
Department	Department of Community Medicine, Amala Institute of Medical Sciences
Resource Person	Dr. Sisira
Activities	TB prevention awareness class and Christmas celebration

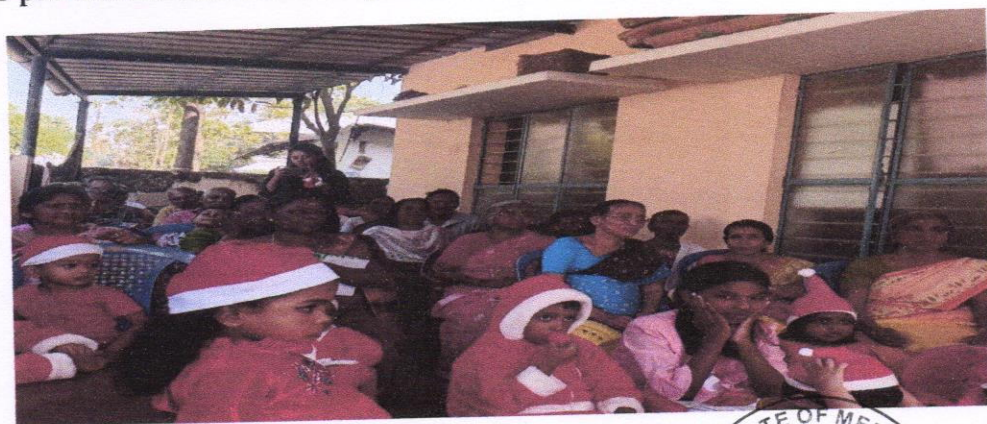

REPORT

As part of the **Amala Grama Project**, a **TB Prevention Awareness Programme** along with **Christmas celebrations** was conducted for senior citizens at **Anganwadi No. 16-0, Chittilapilly, Ward 3, Adat Grama Panchayat** on **20/12/2025 at 2:00 PM**.

The awareness class was handled by **Dr. Sisira** from the **Department of Community Medicine, Amala Institute of Medical Sciences**. The session focused on educating the elderly about tuberculosis, including its causes, modes of transmission, early symptoms, importance of timely diagnosis, treatment adherence, and preventive measures. Special emphasis was given to respiratory hygiene, nutrition, and the need for regular medical follow-up.

Following the health education session, a **Christmas celebration** was organized, creating a joyful and supportive environment for the participants. The programme successfully combined health awareness with social interaction, promoting both physical well-being and emotional happiness among the elderly.

The event was well received by the participants and contributed to increasing awareness about TB prevention while fostering community bonding.
