Dear Dr Suseela,

Sub: Proposal for including in the advisory committee of MVSc student-reg.

As discussed in the telephonic conversation regarding a research project for our MVSc student, Dr. Neeraja in the Department of Veterinary Public Health, CVAS, Mannuthy, I would like to propose you as a member of the Student Advisory committee. Your valuable knowledge and expertise on Campylobacter infection in humans which would aid in the control and prevention of the disease, would be helpful to the student. We look forward to working with you and help us in the study.

I hope you would be willing to serve on the peer advisory committee for the MVSc student. I consider your input invaluable in this process and would be very pleased if you would assist. It would be greatly appreciated if you could please intimate your willingness to serve as one of the committee members. Kindly consider the proposal and reply by return mail.

Yours faithfully,

Sd/-
