# Green Protocol

- Waste Management: Reduce, Reuse, Recycle
- Put waste in appropriate waste bins
- Use energy-efficient light bulbs and appliances
- Plant more trees and other plants
- Avoid banned plastic materials; follow government rules in this regard
- Reduce the use of all types of disposables (including plastic, paper)
- Use cups and containers that can be washed and reused instead of those made of plastic or paper
- Use eco-friendly materials like leaves flowers etc for decoration and while making bouquets for felicitating guests.
